The Queens Arms Inn

Welcome to the Queens Arms Inn. This 600-year-old pub is the oldest building in the village. It is famous for its delicious food, and wonderful views of the river. The chef, Gaston Blatt, learnt to cook with the best chefs in England. There's a lot of traditional English meat and fish dishes on the menu, but also more unusual things like Mexican chicken with chocolate. The meat in the Inn comes from cows which live near the village. The vegetables come from the Inn garden. Everything tastes good!

We recommend you make a reservation, as the Inn is very small, and there aren't many seats.
